

**Nebraska Chapter ARMA Inc. \* 2010 Spring Seminar \* April 14, 2010**

The Nebraska Chapter, ARMA Inc. is excited to present our annual Spring Seminar on Wednesday, April 14, 2010 at the Holiday Inn Omaha Convention Center.

Philip Droege, White House Office of Records Management will be our Keynote and discuss the challenges going from one administration to another. Brian Foster will be speaking on E-Discovery, Policy and Process. There are many instances of defendants paying millions of dollars to conduct discovery. Brian will provide an insight to using practical tools to improve response to a discovery event in a compliant and cost effective manner.
